

# **RANKEN TECHNICAL COLLEGE/ST. CHARLES COMMUNITY COLLEGE**

## **BACHELOR OF SCIENCE IN APPLIED MANAGEMENT**

Upon completion of an associate degree or certificate at St. Charles Community College, students are eligible to transfer into Ranken's Bachelor of Science in Applied Management (BSAM) program. The BSAM program is specifically targeted to students with technical backgrounds who wish to advance in their chosen careers.

Students enrolled in the BSAM can complete the program in two years. Flexible online and evening courses are offered throughout the year to accommodate the needs of the working adult. The BSAM offers a unique educational blend by providing your highly-skilled students an opportunity to become successful managers. The BSAM program combines the technical training received at your college with managerial, business, marketing and communication courses.

The three areas of emphasis that your students can pursue are: Applied Management, Marketing and Management Information Systems (MIS). St. Charles Community College students must have a minimum of 24 technical credit hours to enter the BSAM program and must complete 40 technical hours for graduation in addition to the other BSAM course requirements.

Ranken Technical College has reviewed the curriculum of St. Charles Community College and will accept the following number of credit hours for Ranken's BSAM program limited to a maximum of 40 technical credit hours:
