

Youth Programs

Summer Youth Academy

College for Tots, Ages 4-6

College for Tots is a special program designed specifically for children ages 4-6. Each day is filled with activities centered around various educational themes. This unique program will satisfy the limited attention span of young children and challenge their curiosity in a safe environment.

Animal Adventure, Ages 4-6 CFT 602-40

Lions and tigers and bears, oh my! Join us as we go off on a safari to create monkeys, elephants, bears, and more. Experience animal games, animal crafts, storytelling with animal puppets, music, and much more. Which animal will be your favorite? Make an animal mask and let's have a parade!

Mon.-Thurs., 9a-noon, June 8-11, Fee: \$79

Petite Poms, Ages 3-5 CFT 619-40

For dance and cheer superstars, this clinic will have you giggling and wiggling. Sing-along songs, spirit games, simple pom-pom routines, and cheers comprise this action packed clinic. There will be a performance for family and friends on the last day of class. Presented by Ultimate Potential Fitness.

Mon.-Fri., 9:30-11a, July 6-10, Fee: \$59

Circus for Tots, Ages 4-6 CFT 621-40

Come one, come all! Join us for music and motion as we use musical instruments to march to circus music and learn a few new tunes along the way. Create your very own puppet, and have him perform on the magical puppet stage. The circus would not be complete without a few magic tricks and face painting!

Mon.-Thurs., 9a-noon, July 13-16, Fee: \$79

Teddy Bear Tea Party, Ages 4-6 CFT 620-40

Teddy is planning a big summer party and is expecting many friends to join him! Have fun playing games, making decorations, making teddy bear crafts, and learning about proper tea party manners. On the last day we will enjoy a teddy bear party, and you can invite your own "Teddy friends" to join us!

Mon.-Thurs., 9a-noon, Aug. 3-6, Fee: \$79

Summer Youth Academy

Full Day Programs

This exciting program will give children an opportunity to participate in a variety of fun and challenging courses. Children will explore their environment through science and technology, satisfy their unlimited curiosity, and express themselves through music and art. Classes are on the SCC campus. Students should bring a sack lunch, snack, or money for the vending machines. Parents must check their child in each day of class and should be on time for pickup at the end of the day. All supplies will be furnished except where otherwise noted. Academies involve the use of glue, paint, etc., so children should not wear new or expensive clothing.

Week of June 8

SCC Soccer Camp, Ages 5-12 CFK 227

Join us on SCC's collegiate-size soccer field and discover your highest level of game play. We will be working on soccer skills, techniques, field sense, physical strength and fitness, and sportsmanship. Camps conducted by SCC head men's and women's soccer coaches. \$10 supply fee payable with tuition for t-shirt. Check in first day at 8:30 a.m. in the College Center Gym.

Section 40: Mon.-Thurs., 9a-noon, June 8-11

Section 41: Mon.-Thurs., 9a-noon, June 15-18

Fee: \$59

Raging Reaction Lab/Grossology, Ages 7-12 CFK 075-40

Back by popular demand, this science camp has no limits on fun. Join our raging reaction lab and become a science wizard. Completely hands-on, you will be able to create crazy chemical reactions that are even edible. Immerse yourself in the wonderful world of chemistry, biology, and the environment.

Mon.-Thurs., 9a-4p, June 8-11, Fee: \$149

Drama Camp, Ages 8-16 ATC 202-40

Experience the complete process of play production. Emphasis will be on audition, casting, blocking, characterization, and performance techniques through the use of short scenes in which each child will be cast. Explore the proper use of set pieces, props, and costuming, and learn how to incorporate these elements into each scene. Various types of drama will be introduced from farce to tragedy and students will perform their scenes on the last day of class.

Mon.-Thurs., 9a-4p, June 8-11, Fee: \$149

Week of June 15**Hip Hop Dance, Ages 5-12** CFK 156-40

Learn the latest urban dance and hip hop moves in this exciting clinic. Students integrate funky aerobic hip hop steps in jamming combinations. Kids will also have an opportunity to choreograph moves and incorporate their own style. You don't want to miss out on this cool clinic for kids. Presented by Ultimate Potential Fitness.

Mon.-Fri., 9a-noon, June 15-19, Fee: \$99

SCC Soccer Camp, Ages 5-12 CFK 227

See description under "Week of June 8."

Math Blasters, Ages 7-12 CFK 218-40

Have a blast with us as we learn mathematical concepts through entertaining projects, games, puzzles and experimentation. Come to our computer lab, and use your problem solving skills to investigate solving some specialized projects. Class tournaments will add to the fun week you will have.

Mon.-Thurs., 9a-4p, June 15-18, Fee: \$149

Stage Combat Camp, Ages 10-16 ATC 126-40

Stage combat movements are used in theater productions, films, and stunt shows. Create exciting fight scenarios, and learn how the pros make it look so real! Learn and practice the basic moves that can be woven into thrilling fight scenes and realistic sword battles.

Mon.-Thurs., 9a-4p, June 15-18, Fee: \$149

Week of June 22**LiterARTure Academy, Ages 7-10** CFK 198-40

Eric Carle will provide the inspiration for an all encompassing literature unit. Experience a spectrum of skills related to writing and illustrating pattern books. Apply the skills using the examples of Eric Carle to create your own books which will include these techniques. Help celebrate Carle's 40th anniversary.

Mon.-Thurs., 9a-4p, June 22-25, Fee: \$149

You're an American Idol, Ages 10-16 ATC 128-40

Do you love the TV show "American Idol"? We will show you how you can be a star! Learn audition techniques, stage presence, and have fun learning how you can shine with the talent you have. We will learn a dance and music number that we will perform as a group. Invite your friends and family on the last day for our own version of You're An American Idol! Enroll in the afternoon scrapbooking camp and save \$9!

Mon.-Thurs., 9a-noon, June 22-25, Fee: \$79

Scrapbooking Fun! Ages 10-16 CFK 199-40F

Designed for the scrapbook enthusiast, this camp will teach students creative ways to build an "All About Me Scrapbook." Learn scrapbooking techniques using ribbons, chalk, stamps, brads, and more. Students will learn how to preserve their books and will need to bring enough pictures to complete a 8x8 album that has 15-20 pages. \$15 supply fee payable with tuition. Enroll in the morning American Idol Camp and save \$9!

Mon.-Thurs., 1-4p, June 22-25, Fee: \$79

Cartooning, Grades 6-8 CFK 225-40

Learn all the elements of a great cartoon – props, costumes, setting, character development, relationships, emotion, and plot – and how to use them to create your own terrific tales. Be the author of your own comic strip!

Mon.-Thurs., 9a-4p, June 22-25, Fee: \$149

Week of June 29

No academies/camps.

Week of July 6

Spanish Adventures! Ages 7-10

CFK 197-40

Have you always wanted to learn more about the Spanish culture? Come travel with us and you will learn how to have conversations with your friends in Spanish and learn about Latin American culture. We will taste samples of Latin American cuisine, make fun masks, learn customs, and enjoy some treats from the piñata!

Mon.-Thurs., 9a-4p, July 6-9, Fee: \$149

Broadway Bound Musical Camp, Ages 8-16

ATC 127-40

Lights! Camera! Action! This fun musical theater camp focuses on musical numbers from some of our most cherished musicals. Students will focus on learning and memorizing song and dance numbers as a group. Singing, dancing, and acting techniques will be taught in an effort to build upon the students coordination, stage presence, and performance abilities.

Mon.-Thurs., 9a-4p, July 6-9, Fee: \$149

Theatrical Costuming and Make-Up, Ages 10-16

ATC 129-40

Have you ever wondered how a young actor can age on stage? Or how a bruise or scar can look so realistic on film? Now is your chance to see how to use these amazing techniques to create different characters from different time periods. You will design a make-up palette and learn costuming techniques to create characters.

Mon.-Thurs., 9a-4p, July 6-9, Fee: \$149

Web Design and Animation Creation, Grades 6-8

CFK 219-40

Learn to create exciting Web pages and flashy animations. Students will be introduced to the basic drawing and design tools which can be used to create comic strip characters, advertisements, MySpace layouts, family Web site pages, and much more. Unlock your creative potential while enhancing your computer knowledge.

Mon.-Thurs., 9a-4p, July 6-9, Fee: \$149

Week of July 13

Lego Engineering/Battle Bots, Ages 7-10

CFK 194-40

A perfect blend of math, science, and fun. Practice the concepts of gears, levers, wheels, axles, structures, forces, and simple machines. Learn to design and build your own motorized battle cars, and try to flip, push, or smash your opponents battle vehicle. Brain over brawn through applied physics. Presented by All About Learning.

Mon.-Thurs., 9a-4p, July 13-16, Fee: \$209

Computer Game Design, Grades 6-8

CFK 187-40

Don't just play the game – make it! Introduction into the awesome world of video game creation. Design your own arcade games, Platform games, adventures, and screensavers. You select your own heroes and monsters. At the end of class you will be able to save your game and play on your computer at home.

Mon.-Thurs., 9a-4p, July 13-16, Fee: \$149

Week of July 20

Art in Action – Mosaics and Sculpture, Ages 7-10

CFK 222-40F

Let your artistic talents emerge and thrive in this creative fine arts camp. Create 3-D sculptures, glass mosaics, mixed media drawings, mobiles, and more using oil pastels, glaze, India ink, charcoal, watercolors, paint, and a variety of mediums. \$15 supply fee payable with tuition.

Mon.-Thurs., 9a-4p, July 20-23, Fee: \$149

Art in Action – Mosaics and Sculpture, Grades 6-8

CFK 223-40F

Discover the third dimension of art! Inspired by famous sculptors and artists, you will make a mobile, and an abstract sculpture, a wire portrait, and creative, exciting projects including glass mosaics. We will use drawing and design principles to create works of art glass, sponge, paint, wire, and fabric. \$15 supply fee payable with tuition.

Mon.-Thurs., 9a-4p, July 20-23, Fee: \$149

SCC IS TOBACCO-FREE INSIDE & OUT – A SAFE ENVIRONMENT FOR KIDS!

See www.stchas.edu/tobaccofree for details.

Vehicle Engineering/Battle Bots, Grades 6-8

CFK 221-40

Take your engineering skills to a new level. By using principles of simple and complex machines, gearing, and mechanical advantage, students will try to flip, push, or smash their opponent's battle vehicles. Students will be building 13 different vehicles capped off with a final project. Each team will attempt to exploit the design weaknesses or the incidental mechanical advantage of their opponents' bots. Presented by All About Learning.

Mon.-Thurs., 9a-4p, July 20-23, Fee: \$209

Week of July 27

Dance and Cheer Camp, Ages 5-12

CFK 391-40

Love to dance! Love to cheer! You must come here! Jump, twirl, kick, and twist as you learn the fundamentals of dance and cheer. Show your spirit through chants, cheers, and crafts. Pump the crowd with show-stopping performances of hip hop and pom-pom routines! Learn the hottest dance moves taught by experienced instructors to music you love! Dance and cheer camp is perfect for kids who love to groove! Presented by Ultimate Potential Fitness.

Mon.-Fri., 9a-noon, July 27-31, Fee: \$99

Digital Photos & Beyond, Ages 7-12

CFK 188-40

Discover the new world of photography! Explore exciting ways to manipulate your photos digitally in our computer lab. Create your own photo slide show! Add your own special features to make creative characters of your own. Let your imagination run wild.

Mon.-Thurs., 9a-4p, July 27-30, Fee: \$149

Murder Mystery Theater Camp, Ages 10 and Up

ATC 208-40

Murder, mystery, and more! An interactive murder mystery that can entertain family and friends will be developed in this camp. Learn how to create interesting characters, add details and suspense, and use your imagination to create a unique mini-mystery that will come to life as you perform for family and friends on the last day.

Mon.-Thurs., 9a-4p, July 27-30, Fee: \$149

Week of Aug. 3

Circus University, Ages 7-10

CFK 226-40

Join us for clown university! Juggle your way through the week with lots of tricks and secrets of the trade. Amaze your friends with the mysterious world of magic. Design puppets and have them perform on their very own stage. Practice simple face painting techniques to transform a face magically into a shining creation.

Mon.-Thurs., 9a-4p, Aug. 3-6, Fee: \$149

CSI Investigations, Ages 7-12

CFK 086-40

Be a Crime Scene Investigator for the week. Exciting week of forensics, crime scene investigations, and crime lab chemistry. Search for evidence, gather clues, and form your own conclusions. Who do you think really did it?

Mon.-Thurs., 9a-4p, Aug. 3-6, Fee: \$149

Week of Aug. 10

Flight Academy, Ages 5-12

CFK 224-40

Take the earliest flying machines to the first rocket flights, this hands-on program will give children a bird's eye view of the history and science of flight. Build different flying devices and explore the science of aerodynamics and flight with the help of Newton's laws. Head out of the atmosphere with a look at rockets and our galactic neighborhood! Presented by *St. Louis Mad Science*.

Mon.-Fri., 9a-3p, Aug. 10-14, Fee: \$209

Special Anytime Class!

Online Video Game Making

CFK 195-40

Looking for something to do at home this summer? You will have seven weeks (register anytime) of an instructor-facilitated online class to learn how to design and modify your own exciting arcade-style video games. Graphic design and graphic animation will be covered. Taught by senior instructor Rob Mayo of All About Learning. High speed Internet 128K minimum requirements.

Online/24 hours a day, Fee: \$99

See pages 26-29 for more
courses available online.

Academic

ACT Cambridge Review ABE 125-40B

All subjects on the ACT exam are covered. A complete preparation for the ACT exam using materials developed by Cambridge Education Services. Bring a calculator. Textbook required.

Wednesdays, 6-9p, July 29-Sept. 9, Fee: \$125
