Precision Production	28
Welding	29

Hello!

This report has been prepared by the St. Charles Community College Career and Success Coaching department to provide you with information about what jobs our graduates have pursued after receiving a career-technical degree or certificate. The data used for this report was compiled from the Annual 180-Day Graduate Survey conducted by SCC from 2021-2025.* We hope you find this information helpful.

If you would like job search assistance, resume or cover letter help, a mock interview, a LinkedIn review, or help gathering professional attire for a work-related event, please contact us. We are happy to help! Best wishes for a successful and rewarding career!

SCC Career and Success Coaching
Schnare Library, Suite 225 - The EXCELerator
careerservices@stchas.edu

*Information from some programs was not included since there was not enough data to report. These programs include: Agricultural Business and Management, Industrial Technology/Technician, Logistics, Materials, and Supply Chain Management, Marketing/Marketing Management, and Teacher Assistant/Aide.
