

**ST. CHARLES COMMUNITY COLLEGE**

A photograph of three young adults sitting on a concrete ledge outdoors. On the left, a young woman with long blonde hair is smiling and looking at a tablet held by a young woman with long brown hair in the center. The woman in the center is also smiling and looking at the tablet. On the right, a young man with long dark hair is smiling and looking at a smartphone he is holding. They are all dressed in casual clothing. The background shows green trees and a modern building with large windows. The scene is brightly lit, suggesting a sunny day.

# We have one mission – **STUDENT SUCCESS.**

## Free tutoring and computer use

The ACE Tutoring Center is a learning center dedicated to helping students through free tutoring and study skills guidance. The largest campus computer lab is available there for papers, projects and presentations, along with a Mac computer lab for multimedia projects.

## Academic counseling

SCC's academic counselors will help guide you toward productive academic decision making. And, if life gets tough, SCC's Student Success team can help you meet the challenges head on.

## Learning accommodations

The Disability Support Services Office provides test accommodations, registration assistance and alternate formats for learning. Be sure to request services at least eight weeks in advance to ensure appropriate and reasonable accommodations.

## Broad library access

In addition to the Learning Resource Center, which contains a collection of materials and electronic databases, you'll have access to an additional 25 million volumes through the MOBIUS shared library organization. That's a lot of books.

## Courses that fit

Placement in math, English and reading classes is determined by the results of the academic skills assessment that you'll take during the admissions process. If you don't place at the college level, we have classes to get you there.

## Free career services

Not sure what you want to do? SCC offers career counseling and testing, job search assistance, job postings, job shadowing opportunities and workshops to help get you where you want to be. The SCC-sponsored job fair in May is a big help, too.

## Free online and technical help

Who has time to troubleshoot computer problems when there's homework to do? SCC's tech squad is available when you need assistance with any SCC online service.

## Education abroad

SCC offers opportunities to study abroad in England and France. Each spring semester, students can study at Canterbury Christ Church University in Canterbury, England. Or, in the summer, travel to Cannes, France, for a six-week study tour. These trips provide cultural exploration and an opportunity to earn college credit.

At SCC, we are committed to providing you with the best instruction, resources and support services to help you succeed.

Compared to the universities where most of our students transfer, SCC's tuition is typically **ONE-THIRD THE COST.**

**Alex Crump**  
**SCHOLARSHIP RECIPIENT**

"I found myself wanting something different – to help others like I was helped. SCC has changed my life forever, and I haven't even graduated yet."

## A+ Scholarship Program

The Missouri A+ Scholarship Program affords students who have graduated and successfully met the requirements from a designated A+ Missouri high school the ability to earn an associate degree tuition-free for up to four years from high school graduation. No, that's not a typo. Free tuition.

### A+ first steps »

- Apply to SCC to obtain your student ID number.
- As an A+ student you must complete a new FAFSA for each academic year. The priority deadline to complete the FAFSA is June 1.
- Have your final transcript sent from your high school.
- Login to MySCC frequently for A+ and financial aid alerts.

### Keep your A+ eligibility »

- You must maintain a minimum 2.50 cumulative GPA at the end of each term.
- You must complete a minimum of 12 credit hours (six for summer) each semester and meet with an academic counselor to have your coursework approved.
- Complete at least 67% of all the classes you attempt.
