FEES: In addition to an $8/credit hour technology fee, there are additional fees assessed for specific majors, laboratories, individualized lessons and some distance-learning course formats. You'll also have to pay for specialized testing. It's not because we don't like you – these actually cost the college more money to provide! *Foristell students should confirm with the College's Admissions Office whether their address is within St. Charles County. Students who live in areas of Foristell that are outside the boundaries of St. Charles County will be charged Out-of-District rates.

Now all you need is the money.
