## SCC – What does it cost?

STUDENT TYPE	TUITION	NOTES
In-District*	\$103/credit hour \$118/online credit hour	Defined as someone whose residence is within the boundaries of St. Charles County. <b>Excludes:</b> St. Charles County residents who reside and pay taxes in the Washington School District.
Out-of-District In-State	\$154/credit hour \$169/online credit hour	A person whose residence is in Missouri but outside St. Charles County.
Out-of-District Out-of-State or International	\$216/credit hour \$231/online credit hour	Includes international students holding any of the following visas: F, H (except H-1B), J, M, O-2, P, Q

**FEES:** In addition to an \$8/credit hour technology fee, there are additional fees assessed for specific majors, laboratories, individualized lessons and some distance-learning course formats. You'll also have to pay for specialized testing. It's not because we don't like you – these actually cost the college more money to provide!

\*NOTE: Foristell students should confirm with the college's admissions office whether their address is within St. Charles County. Students who live in areas of Foristell that are outside the boundaries of St. Charles County will be charged Out-of-District rates.
