## Tuition Refund Policy

If a student withdraws from a course or from the college during the first three weeks after the start of the semester, a refund will be processed based on the date that the student withdraws.

If a student withdraws from a course or from the college, the student may receive a tuition refund for that session or semester provided an Add-Drop Form is completed and filed with Enrollment Services within a specified time, or the student withdraws online via SCC Connection. The date of the Add-Drop form or the date the online drop is completed is used to determine the percentage of eligible refund.

When the last date to withdraw occurs over the weekend, it will be necessary to drop online through SCC Connection in order to qualify for the eligible refund amount.

Refer to Dates & Deadlines on the Financial Aid web page ([www.stchas.edu/finaid](http://www.stchas.edu/finaid)) for tuition refund dates for a specific term.

NOTE: Refund amounts are determined by specific dates within each semester for all classes and will be prorated for courses less than 16 weeks in length. A full refund of tuition and fees is made if the college cancels a scheduled class.
