Refund Policy and Dates

Per Board Policy 417, the tuition refund policy is as follows: If a student withdraws from a course or from the college during the first two weeks after the start of the semester, a 100 percent refund will be processed on the date that the student withdraws. Time frame is prorated for short-term courses less than 15 weeks.

If a student withdraws from a course or from the college, the student may receive a tuition refund for that session or semester, provided an Add/Drop Form is completed and filed with Enrollment Services within a specified time, or the student withdraws online via SCC Connection. The date of the Add/Drop Form or the date the online drop is completed determines the eligible refund.

Pre-Fall Terms: 100 percent of refunds will be issued for withdrawals processed prior to the first day of the term. No refunds will be issued after the term begins.

Refunds are calculated based on calendar days from the start date of the term. Refunds are prorated for courses less than 16 weeks in length.

When a refund date occurs over the weekend, it will be necessary to drop online through SCC Connection in order to qualify for the scheduled refund amount.
