

## **FIELD SUPERVISOR EVALUATION OF PRACTICUM STUDENT**

**Field Practicum Agency:** Saint Louis Crisis Nursery

**Practicum Supervisor:** Brittany McDonnell

**Semester:** Fall **Year:** 2020

The SCC Human Services Program appreciates your generosity of time and talent to help students on their journey to taking their place in this industry. Any feedback you have for the program, in order to better prepare students, streamline the practicum experience, etc. will be given grateful consideration.

### **Feedback on Student's Academic Preparation**

Student was academically prepared and had the tools available to her before completing her practicum. Expectations were outlined thoroughly and student had materials to set goals with Field Instructor.

### **Feedback on Student's Ethical Orientation**

Student was given the rules and guidelines to review before completing practicum.

### **Feedback on Practicum Design**

The program was well organized and informative in letting FI know when mid term and final evaluations were due.

### **Feedback on Demands on You i.e.; time, paperwork, etc.**

Field instructor was given enough time to complete learning objectives, mid term and final evaluation.

### **Additional Suggestions:**

None at this time.

FIELD SUPERVISOR EVALUATION OF PRACTICUM

Field Practicum Agency: CenterPointe Hospital

Practicum Supervisor: Karen Kasten

Semester: Fall Year: 2020

The SCC Human Services Program appreciates your generosity of time and talent to help students on their journey to taking their place in this industry. Any feedback you have for the program, in order to better prepare students, streamline the practicum experience, etc. will be given grateful consideration.

**Feedback on Student's Academic Preparation**

Katherine was well prepared. She really did well with assignments I gave her + was able to engage in insightful conversations.

**Feedback on Student's Ethical Orientation**

Very clear understanding of boundaries + her role in safeguarding confidentiality.

**Feedback on Practicum Design**

It worked beautifully here. She was in a Mental Health Tech role + worked under our existing staff. Very easy to implement.

**Feedback on Demands on You i.e.; time, paperwork, etc.**

Reasonable Requirements -

I enjoyed the time with her.

**Additional Suggestions:**

## **FIELD SUPERVISOR EVALUATION OF PRACTICUM STUDENT**

**Field Practicum Agency:** Compass Health Net

**Practicum Supervisor:** Amy Dunn

**Semester:** Fall **Year:** 2020

The SCC Human Services Program appreciates your generosity of time and talent to help students on their journey to taking their place in this industry. ### **Feedback on Student's Academic Preparation**

Karla came into the internship with prior knowledge of populations and different evidence-based practices used. Karla was able to use this knowledge and apply it to different situations she shadowed at Compass Health.

### **Feedback on Student's Ethical Orientation**

Karla maintained and demonstrated ethical behavior at all times during her internship with Compass Health. Karla was always available for supervision and reached out for support as needed following all HIPPA guidelines to protect client information.

### **Feedback on Practicum Design**

N/A

### **Feedback on Demands on You i.e.; time, paperwork, etc.**

All demands from practicum requirements for supervisor were not overly time consuming, and easy to read and fill out as needed with correct information.

### **Additional Suggestions:**

N/A

**FIELD SUPERVISOR EVALUATION OF PRACTICUM STUDENT**

**Field Practicum Agency:** Missouri Baptist Children's Home

**Practicum Supervisor:** Kristi Theriot

**Semester:** Summer

**Year:** 2020

The SCC Human Services Program appreciates your generosity of time and talent to help students on their journey to taking their place in this industry. Any feedback you have for the program, in order to better prepare students, streamline the practicum experience, etc. will be given grateful consideration.

**Feedback on Student's Academic Preparation**

**Karla came in with a desire to learn. She took the extenuating circumstances and did her best to learn as much as possible. She was prepared to learn and did a good job taking charge of that learning.**

**Feedback on Student's Ethical Orientation**

**Karla was able to read all the philosophy of care and adhere to what was asked. She voiced no concerns or had any actions that were not ethical.**

**Feedback on Practicum Design**

**MBCH CFM has worked well with SCCC and it is a good working relationship that allow for flexibility in learning according to the situation and students needs and ability.**

**Feedback on Demands on You i.e.; time, paperwork, etc.**

**I am usually constantly available to interns. Formal learning takes place as well. The ability to make that more natural help allow for the time for interns.**

**Additional Suggestions: No suggestions at this time.**

**FIELD SUPERVISOR EVALUATION OF PRACTICUM STUDENT**Field Practicum Agency: NAMI St. LouisPracticum Supervisor: Heather McDonnell, MSWSemester: Summer Year: 2020

The SCC Human Services Program appreciates your generosity of time and talent to help students on their journey to taking their place in this industry.
