

Patient Care Technician Training

Ready to start your career in healthcare? St. Charles Community College and SSM Health are seeking qualified individuals to attend training to work as full-time Clinical Partners at St. Joseph Hospital – Wentzville, St. Joseph Hospital – Lake St. Louis and St. Joseph Hospital – St. Charles. This 6-week accelerated training program combines online classroom instruction, hands-on skill labs and on-the-job training in a clinical practice. The training satisfies the Missouri Department of Health and Senior Services requirements for Unlicensed Assistive Personnel (UAP).

Program Highlights

- Qualified individuals selected for the program will be hired as part time Clinical Partner 1 Students during training and transition to full time Clinical Partner 1 status upon completion. The starting wage as a PCT is \$18.00 per hour.
- Tuition funding (\$2,000.00) is included. Minimum 2-year full-time employment commitment to SSM Health required upon completion.

Training Schedule

Dates | February 19th, 2024 – March 29th, 2024

Classroom Training | 3 alternating weeks @ at St. Charles Community College – Dardenne location

Clinical Practice | 3 alternating weeks

- Three 12-hour shifts weekly at the assigned SSM Health hospital

Current Eligibility

Enrollment for the PCT program is selective. All candidates that apply will be required to meet the following eligibility requirements.

- Be at least 18 years old and have a high school diploma or equivalent
- Complete all steps in the selection process:
 - Complete SSM Health application and screening interview
 - Complete SCC application and intake assessments
 - Attend mandatory Meet & Greet session
 - Complete full interview and be selected by SSM Health
 - Pass a criminal background check, drug screen panel, and physical exam with documented proof of immunizations or titers

SSM Health Advantages
