Between

Louisiana High School
Louisiana, Missouri

And

ST. CHARLES COMMUNITY COLLEGE
ACADEMIC & STUDENT AFFAIRS

St. Charles Community College has agreed to grant college credit to students completing the courses in the CAD Education Program at *Louisiana High School* according to the matched listings below.

<u>High School Name</u>	<u>SCC Matching Credit Allowance</u>	<u>Credit</u>
Drafting (1yr)	CDM 103 Introduction to CAD	2
	CDM 104 CAD Systems II	3
Industrial Technology I & II	CDM 235 Manufacturing Processes	3

Student Instructions: To obtain credit for course work on the St. Charles Community College transcript, the following course work must be completed **within 3 years** of high school graduation.

- All high school courses work being articulated must be with a **grade of “B” or better**.
- These articulated courses have been designed for **dual credit at your high school** & for credit at SCC towards an **Associate of Applied Science Degree**, but **not for the Associate of Arts (transfer) Degree**.
- Request your high school **send an official copy of your transcript** to Enrollment Services at SCC.
- **Complete an on-line SCC application** at www.stchas.edu/admissions/application-for-admission.html.
- When **meeting with an SCC counselor/advisor or registration assistant, identify yourself as an Articulation student**.
 - * Present a white copy of this Certificate of Credit
 - * Complete your registration for classes for the first semester
- **Should you wish to transfer any of these articulated credits** from St. Charles Community College to another college or university, please **check with a counselor/advisor at that transfer institution** to determine if they will approve the transfer of these articulation credits at that transfer institution.
