

What is International Education Week?

This joint initiative of the U.S. Department of State and the U.S. Department of Education is part of the efforts to promote programs that prepare Americans for a global environment and attract future leaders from abroad to study, learn, and exchange experiences.

Enjoy global dishes from Scooter's Place in the Student Center, and Student Poster Displays from Global Student Network and English Language and Culture Institute students outside SSB Auditorium all week!

Oh, What a Sweet World!
