+ will count as elective credit. Not required for Maryville

* fulfills business core requirements

1) A 2.0 grade point average on a 4.0 scale in college work is required for admission. Students with less than a 2.0 will be considered on a case-by-case basis and may be asked to write a personal statement and/or participate in a personal interview before an admission decision is made.

2) High school transcripts are required for transfer students with fewer than 30 transferable hours or for admission to certain programs.

3) Students must earn a grade of “C” or better for any course to transfer. However, “D” credits may be accepted for general education requirements if a student has a completed Associate’s Degree (A.A., A.S., or AAS). If the general education requirement is also a business core requirement (i.e. College Algebra), a “D” credit will not be accepted. All courses in the business major require a grade of “C” or better.
