A.A.S in Criminal Justice to the Bachelor of Science in Criminology and Criminal Justice

Overview:

This formal program Articulation Agreement ("Agreement") is entered into by The Curators of the University of Missouri on behalf of the University of Missouri-St. Louis College of Arts and Sciences (hereinafter referred to as "UMSL") and St. Charles Community College (hereinafter referred to as "SCC"). By this Agreement SCC and UMSL express shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transition when transferring from one institution to the other.

Purpose:

This Agreement provides students who have earned an Associate of Applied Science in Criminal Justice from SCC the opportunity to complete the Bachelor of Science in Criminology and Criminal Justice degree at UMSL.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

SCC students who maintain continuous enrollment under this Agreement shall be afforded the same treatment and protection as UMSL native students enrolled under a given catalog.

UMSL will apply the same academic progress and graduation standards to transfer students as those applicable to native students at UMSL.

Section II: Transfer of Credit Hours

A maximum of 64 hours will be accepted by UMSL from SCC to be applied to the Bachelor of Science in Criminology and Criminal Justice degree program. Transfer students from SCC who have completed the A.A.S in Criminal Justice as presented in this Agreement, upon acceptance to the BS in Criminology and Criminal Justice program, will have junior standing at UMSL.

Section III: Program Plan

Students falling under this program Articulation Agreement will be responsible for successfully completing the following requirements:

Years 1 and 2 at SCC (see 8 semester program plan sheet attached)

Total Hours: 64

Years 3 and 4 at UMSL (see program plan sheet)

Total Hours: 56

TOTAL CREDIT HOURS FOR BACCALAUREATE DEGREE: 120

TERMS OF AGREEMENT:

This Agreement is made and entered into in the academic year of 2021-2022 and remains in force unless changed in writing by mutual agreement of both parties. This Agreement is an update to the previous agreement originating in the 2011-2012 academic year.

Each institution shall designate an official representative who shall be the contact for all discussion associated with the Agreement and who shall be responsible for annual review to assure currency with the respective degree requirements. For both institutions, this shall be either the Transfer and Articulation Officer (TAO) or their appointee.

In collaboration with SCC, UMSL's TAO shall create a transfer guide specific to this Agreement if one does not already exist. Review and update of this guides shall be tied to the annual review of this Agreement established above.

Revisions to this Agreement based solely upon updates to curriculum or degree requirements which do not fundamentally alter the nature of this Agreement may be made by mutual agreement of the relevant faculty, administrators, and staff as communicated through the parties named above. A history of such revisions will be amended to this Agreement for records purposes.

This Articulation Agreement is made, entered into, and executed by the parties pursuant to the Policies of the Higher Learning Commission of the North Central Association of Colleges and Schools ("Higher Learning Commission") and is subject to the approval or notification requirements established by the Higher Learning Commission.

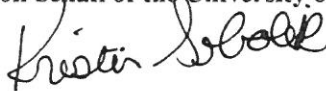

This Articulation Agreement may be terminated by either party upon three (3) months prior written notice to the other party. However, termination shall not affect the implementation of activities that have already commenced, or students already enrolled pursuant to this specific Agreement. The Agreement will remain in effect until the required associated activities are completed.
