RE: Articulation of SCC/UMLSL courses - Early Childhood

From: Lynn Navin

To: Lisa Stageman

Date: September 19, 2014

In response to St. Charles Community College’s request for a course(s) articulation agreement for Early Childhood courses that could be offered as electives in their existing AAT, I reviewed their syllabi and am comfortable offering this articulation under the following conditions:

1) The courses must be included as part of the AAT degree completed by the student prior to transfer to UMSL to be granted 3000/4000 level equivalent status to UMSL courses.
2) Courses will be accepted as equivalent at such time as the SCC student has been formally admitted to the UMSL Teacher Education Program as an Early Childhood teacher candidate.
3) The courses will not be accepted in transfer as stand-alone courses as equivalent to UMSL courses.
4) The SCC equivalent courses must be completed with a grade of B or better and
5) Any one, two or all three SCC courses may be completed for credit transfer as part of the AAT degree.

The aforementioned courses are:

**SCC CDC 104 Principles of Early Childhood Curriculum (3) = UMSL ECH ED 3300 Introduction to Early Childhood Education (3)**

**SCC CDC 205 Children, Families, and Communities (3) = UMSL ECH ED 3350 Family and Community Involvement (3)**

**SCC CDD 201 Cognitive Activities and STEM for Young Children (3) = UMSL ECH ED 4348 Math and Science Acquisition (3)**

If you have any questions, feel free to contact me at 314-516-6789.

Thank you,

Lynn Navin
