Pathway Considerations

Music · General: Info and Requirements

- <https://www.stchas.edu/academics/departments/Music> or visit www.stchas.edu/Pathways
- Please note, Credit Hours (CH) may vary, for example, if you choose a Foreign Language (4 CH) option rather than THE-122 (3 CH).
- IMPORTANT: Core42 has specific requirements if you're pursuing an A.A. degree, often requiring you to take courses from different fields. As an example, for Natural Sciences you cannot take all CHM courses or all BIO courses. You must take a mix of Science courses. Similar restrictions apply to other Core42 categories. Please speak to an Advisor to make sure your courses count towards transfer or a degree.
- Course order is important. Please see the Music Department Chair if you're considering changing course order.
- MUS 101 Foundations of Music is a prerequisite for entering the Theory/Ear-Training/Piano sequence which begins in the fall. A waiver for MUS 101 may be obtained by testing and/or equivalent experience as determined by the Music Chair. Students are encouraged to take High School Music Theory or the SCC MUS 101 course prior to entering the program.
- For the lesson requirement: Applied Music, Private Lessons should be taken for 2 credits each semester in your primary instrument.
- The Music Pathways provide flexibility for both transfer students and those who wish to deepen their musical knowledge and experience.
- For any upper level music course, electives may be taken from a specific list of options. Please see the Music Department Chair.

Some Important Things About Pathways...

1. Before **registering** for courses, make an appointment with an **Academic Advisor**. They will help make sure you're taking the right courses and sticking to your path.
2. For course descriptions, visit <https://www.stchas.edu/academics/course-descriptions>
3. To organize courses for your upcoming semesters or to register online, visit the **Student Planning App** in the SCC Portal.
4. The order in which you take your courses may be important. Please check with your **Academic Advisor** to make sure you're not forgetting about course **prerequisites**.
5. If you have questions about your Financial Aid eligibility, contact a **Financial Aid Counselor**.
6. The courses in this map were hand-selected to help you achieve your educational goals, which often includes **course transfer**. SCC does its best ensure all courses **transfer**, though transferability is always up to the transfer institution. (See Core42 for exceptions to this rule.)
7. The simplest plan is for you to **stick to the path**. Changes to maps can be made, but please speak with an advisor, a teacher, and/or potential transfer institutions to ensure your substitutions fit your educational goals and needs.
8. Finding a career interest can help you find your Pathway. Consider visiting **Career Services**—they can help!
9. If you're interested in jobs based in Manufacturing & Industry, contact **Workforce Development**.
