Finding a road to success

- This is a suggested **MAP** for students interested in this **FIELD**. It does not represent a contract or guarantee course availability.
- Following the **MAP** provides students with the best chance for course transferability.
- This MAP is designed for full-time students, but the suggested courses apply to all!

Pathway Considerations

Business Administration · Finance: Info and Requirements

- https://www.stchas.edu/academics/departments/Economics-Finance or visit www.stchas.edu/academics/departments/Economics-Finance or visit www.stchas.edu/Pathways
- Please note, Credit Hours (CH) may vary, for example, if you choose a Foreign Language (4 CH) option rather than THE-122 (3 CH).
- IMPORTANT: Core42 has specific requirements if you're pursuing an A.A. degree, often requiring you to take courses from different fields. As an example, for Natural Sciences you cannot take all CHM courses or all BIO courses. You must take a mix of Science courses. Similar restrictions apply to other Core42 categories. Please speak to an Advisor to make sure your courses count towards transfer or a degree.
- The Certificate of Achievement (C.A.) in Business Administration Finance is a one-year Certificate program that can help students start their careers in banking and finance.
- It will provide the foundational knowledge for students to pursue entry-level positions in careers related to banking and finance.
- It is designed to be completed in one year.
- Many of the classes are fully transferable if the student chooses to continue towards completing a higher degree such as an A.A.S.,
 A.A. or B.S.
- Required courses include many business-related classes as well as economics, accounting and finance course work.
- Some upper-division elective classes are only offered once each year and may require prerequisites or co-requisites.
- The skills learned in this certificate program are completely portable. You can take them into any business profession!

Some Important Things About Pathways..

- 1. Before **registering** for courses, make an appointment with an **Academic Advisor**. They will help make sure you're taking the right courses and sticking to your path.
- 2. For course descriptions, visit https://www.stchas.edu/academics/course-descriptions
- To organize courses for your upcoming semesters or to register online, visit the Student Planning App in the SCC Portal.
- 4. The order in which you take your courses may be important. Please check with your **Academic Advisor** to make sure you're not forgetting about course **prerequisites**.
- 5. If you have questions about your Financial Aid eligibility, contact a Financial Aid Counselor.
- 6. The courses in this map were hand-selected to help you achieve your educational goals, which often includes **course transfer**. SCC does its best to ensure all courses **transfer**, though transferability is always up to the transfer institution. (See Core42 for exceptions to this rule.)
- 7. The simplest plan is for you to **stick to the path**. Changes to maps can be made, but please speak with an advisor, a teacher, and/or potential transfer institutions to ensure your substitutions fit your educational goals and needs.
- 8. Finding a career interest can help you find your Pathway. Consider visiting Career Services—they can help!
- If you're interested in jobs based in Manufacturing & Industry, contact Workforce Development.
