Pathway Considerations

Licensed Practical Nurse (LPN) . General: Info and Requirements

- Visit <https://www.stchas.edu/academics/departments/Practical-Nursing> for my information
- Students interested in the practical nursing certificate program must meet with an Allied Health Advisor - alliedhealth@stchas.edu
- Students must meet the prerequisite requirements to apply for admission to the practical nursing certificate program.
- Admission to the practical nursing program is selective and dependent upon passing a background check and drug screen.
- Students must have and maintain health insurance throughout the nursing program coursework.
- All science courses for the program must be fewer than five years old at the time of admission.
- LPN Program requires MAT 096 or placement into MAT 098

Some Important Things About Pathways...

1. Before **registering** for courses, make an appointment with an **Academic Advisor**. They will help make sure you're taking the right courses and sticking to your path.
2. For course descriptions, visit <https://www.stchas.edu/academics/course-descriptions>
3. To organize courses for your upcoming semesters or to register online, visit the **Student Planning App** in the SCC Portal.
4. The order in which you take your courses may be important. Please check with your **Academic Advisor** to make sure you're not forgetting about course **prerequisites**.
5. If you have questions about your Financial Aid eligibility, contact a **Financial Aid Counselor**.
6. The courses in this map were hand-selected to help you achieve your educational goals, which often includes **course transfer**. SCC does its best ensure all courses **transfer**, though transferability is always up to the transfer institution. (See Core42 for exceptions to this rule.)
7. The simplest plan is for you to **stick to the path**. Changes to maps can be made, but please speak with an advisor, a teacher, and/or potential transfer institutions to ensure your substitutions fit your educational goals and needs.
8. Finding a career interest can help you find your Pathway. Consider visiting **Career Services**—they can help!
9. If you're interested in jobs based in Manufacturing & Industry, contact **Workforce Development**.

Questions about your Pathway?
