## Pathway Considerations

### Non-credit · IV Therapy: Info and Requirements

- Please note, Credit Hours (CH) may vary, for example, if you choose a Foreign Language (4 CH) option rather than THE-122 (3 CH), or visit [www.stchas.edu/Pathways](http://www.stchas.edu/Pathways)
- Contact Health Occupations @ 636-922-8284
- IMPORTANT: Core42 has specific requirements if you're pursuing an A.A. degree, often requiring you to take courses from different fields. As an example, for Natural Sciences you cannot take all CHM courses or all BIO courses. You must take a mix of Science courses. Similar restrictions apply to other Core42 categories. Please speak to an Advisor to make sure your courses count towards transfer or a degree.
- Tuition: \$490. This 44-contact hour course provides nurses with the skills necessary to administer IV Therapy using the Missouri State Board of Nursing approved curriculum. Students have 7-weeks to complete this open-entry, class. The majority of the course is completed online with one required on-campus lab day and one clinical day. Students must score at least an 80% on the written final exam and demonstrate 100% mastery of the clinical objectives to be considered for certification.
- Current Missouri LPN or RN, OR LPN or RN in possession of a temporary permit to practice in Missouri, OR employee of a federal facility located in Missouri who possesses a current license as an LPN or RN in another state.
- Access to a reliable computer and Internet Service Provider (ISP). The choice of computer and ISP and any other related expenses are the responsibility of the student.
- Active email account that can be accessed throughout the program.
- Must provide results from an acceptable background screening from the Family Care Safety Registry (dated within the last 90 days) and be free from tuberculosis and provide documentation of a negative 2-step TB test or "result of findings" from a chest x-ray (dated within the last 12 months).
- Students will be required to complete and pass a urine drug screening prior to competing their lab and clinical hours.
- Registration can be done in person at the Center for Healthy Living Office (#1 Academy Place, Dardenne Prairie, MO 63368). Office hours are from 8 a.m.-4 p.m. Monday-Friday. Hours may vary, please call to confirm.
- Registration can be done by fax by completing the Registration Form and faxing it to 636-922-8478. Student will be notified when the registration is complete and be given tuition payment information.
- Registration can be done via email by completing the Registration Form and scanning/emailing it to [kthompson@stchas.edu](mailto:kthompson@stchas.edu). Student will be notified when the registration is complete and be given tuition payment information.
- Tuition and fees are due at time of registration and are non-refundable and non-transferable.

### Some Important Things About Pathways...

1. Before **registering** for courses, make an appointment with an **Academic Advisor**. They will help make sure you're taking the right courses and sticking to your path.
2. For course descriptions, visit <https://www.stchas.edu/academics/course-descriptions>
3. To organize courses for your upcoming semesters or to register online, visit the **Student Planning App** in the SCC Portal.
4. The order in which you take your courses may be important. Please check with your **Academic Advisor** to make sure you're not forgetting about course **prerequisites**.
5. If you have questions about your Financial Aid eligibility, contact a **Financial Aid Counselor**.
6. The courses in this map were hand-selected to help you achieve your educational goals, which often includes **course transfer**. SCC does its best ensure all courses **transfer**, though transferability is always up to the transfer institution. (See Core42 for exceptions to this rule.)
7. The simplest plan is for you to **stick to the path**. Changes to maps can be made, but please speak with an advisor, a teacher, and/or potential transfer institutions to ensure your substitutions fit your educational goals and needs.
8. Finding a career interest can help you find your Pathway. Consider visiting **Career Services**—they can help!
9. If you're interested in jobs based in Manufacturing & Industry, contact **Workforce Development**.
